PROFESSIONAL EXPERIENCE

Recruitment Coordinator - Tatweer for Employment

Jul 2026 - Present

- Source and screen candidates, review CVs, and assess suitability for client vacancies.
- Communicate directly with companies to understand hiring needs, coordinate interviews, and follow up with candidates and employers.
- Support recruitment workflows from initial candidate sourcing through screening, referral, and interview coordination.

Customer Service Representative - Extensya

Dec 2025 - Jul 2026

- Handled customer inquiries through approved communication channels and resolved issues efficiently and professionally.
- Managed varied daily customer cases in a fast-paced environment, strengthening communication, patience, and problem-solving skills.

Cashier & Customer Service Representative - TROPEA FOOD AND SUPPLIES

Jan 2023 - Nov 2025

- Assisted customers with inquiries and day-to-day service needs while handling cash and card transactions accurately.
- Responded to customer complaints, helped resolve issues, and supported smooth daily store operations.

TECHNICAL PROJECT

Tatweer for Employment Recruitment Website - Web Development Project

Aug 2026 - Present

React | TypeScript | Vite | Tailwind CSS | Supabase | Git/GitHub | Cloudflare Workers

- Built and deployed a live recruitment website with candidate CV submissions, job applications, employer requests, contact forms, admin authentication, role-based permissions, RLS policies, and file storage.
- Connected the frontend to Supabase, managed the repository with Git/GitHub, and configured/tested the production deployment on Cloudflare using AI-assisted development tools.
